

ENVIRONMENT AND OCCUPATIONAL HEALTH AND SAFETY (EOHS) POLICY.

Oriental Rubber Industries Pvt. Ltd. is committed to continued excellence, Leadership in protecting the environment and occupational health and safety. Environmental protection, occupational health and safety is a primary management responsibility as well as the responsibility of every employee, contractor and supplier. In keeping with this policy, our vision is to minimize and eliminate work hazards and risks and also to prevent pollution and continually improve our environmental performance by minimizing our impacts on the man made and natural environment and maintain compliance with all Central, State and local regulations at all times.

Our Environment and Safety Management Programs include :-

- Providing, Managing and maintaining a work environment reasonably practicable, safe and in which risks to health are controlled by adequate and appropriate facilities and arrangements, by maintaining plant and equipment and ensuring that the use, handling, storage and transport of items and substances are carried out safely.
- Implementing systems of work, providing training and education, expertise and resource, communication and consultation, planning, monitoring, inspection and auditing procedures, to ensure that there is effective management of environment, health and safety.
- Reducing our impact on clean air and water in the local area and minimizing job hazards and risks through Environment and Safety Management Programs.
- Giving Adequate Information on relevant risks and hazards to any persons whose health and safety might be affected by them and keeping up to date with best practices and compliance with all relevant legislation and authoritative guidance, continually review and develop our systems and care for employees, contractors, visitors, vendors, suppliers and members of the public at large.
- To reduce or eliminate the generation of waste and integrate our actions in up keeping environment, occupational health and safety energy conservation in all thoughts, actions and deeds.
